V tomto stručném průvodci naleznete užitečné informace, které vám pomohou seznámit se s nástrojem REACH-IT a udělat si o něm základní představu.

K veškerým informacím v systému REACH-IT se snadno dostanete z domovské stránky.

The screenshot shows the REACH-IT dashboard interface. At the top, there is a navigation bar with the REACH-IT logo, a search bar, and several notification icons: 'Tasks (30)', 'Substances', 'Messages (70)', and 'Quick search by number'. Below the navigation bar is a large blue banner area. The main content area features three prominent cards:

- Submit a dossier:** Includes an icon of a folder with a plus sign. Text: 'Prepare online in REACH-IT' and 'Upload a IUCLID dossier Webform applications'. A button at the bottom says 'View all types'.
- Tasks (30):** Includes an icon of a document with a downward arrow. A central circle shows '6 New'. Below it, a gauge shows '1 Close to deadline' and '26 Passed deadline'. A button at the bottom says 'View all tasks'.
- Substances (19):** Includes an icon of a flask. A central circle shows '0 My favourites'. Below it, a gauge shows '4 In progress submissions' and '0 Failed submissions'. A button at the bottom says 'View all substances'.

At the bottom of the page, there is a footer with links: 'Discover REACH-IT', 'FAQ', 'Contact ECHA Helpdesk', and 'ECHA-term'. The ECHA logo (European Chemicals Agency) is on the right. A small version number '[3.1.1.b462] - [2016-06-13_15-48-28]' is visible at the bottom center.

Registration

Registration applies to substances on their own, substances in mixtures and certain cases of substances in articles.

Registration is based on the "One Substance, One Registration" principle. This means that manufacturers and importers of the same substance have to submit their registration jointly.

Do you need support?

Information on registering your substance can be found on ECHA's website.

Information on registration can be found on the IUCLID manuals

If you are member of a joint submission, find and join the joint submission for your substance.

Are you ready to submit?

Click **Upload a IUCLID dossier** and the submission wizard will guide you through the steps of the submission process.

Alternatively, you can prepare your member registration dossier online in REACH-IT. To do this, click **Joint submission search page** to first find the joint submission for your substance and then start creating your member dossier. Member registration dossiers can only be created online for substances with one composition and one C&L, and without data opt-outs.

The main content area is titled 'Registration' and includes a sidebar with various options like 'Alternative chemical name request', 'Application for authorisation', etc. The 'Registration' section contains several steps: 'Information on registration', 'More information on registration', 'If you are member of...', 'Click Upload a IUCLID', and 'Alternatively, you can...'. A red box highlights the 'Upload a IUCLID dossier' button. A blue callout box points to a progress indicator at the top of the main content area, which shows four steps: 'Submission details', 'Upload dossier', 'Additional details', and 'Confirmation'. A warning message states: 'The submission process cannot be saved so ensure you have all the required information before you begin.' Below this, a dropdown menu for 'Dossier type:' is set to 'Registration'. A second blue callout box contains the text: 'Průvodce předložením vás provede jednotlivými kroky postupu nahrávání dokumentace IUCLID. U každého kroku si přečtete kontrolní seznam vpravo, abyste se ujistili, že máte všechny požadované informace a můžete přistoupit k dalšímu kroku.' On the right side, a red-bordered box contains a checklist of requirements for submitting a dossier, including being part of a joint submission, correct company size, up-to-date VAT and billing address, and defined contact persons. A warning icon indicates that submitted information will be published on the ECHA website.

Are you ready to submit your dossier? Before continuing, make sure that:

- You are part of the joint submission, if one exists for your substance.
- The company size is correct. You can find out how to determine the company size if you are unsure.
- The VAT number and billing address in REACH-IT are up to date, and optionally you have a purchase order number: they will appear on the invoice.
- The contact persons for this dossier has been defined, and the contact details are up to date in REACH-IT.

Be aware that certain information from the submitted dossier will be published on the ECHA website without further notice. Use the IUCLID Dissemination plugin in IUCLID to preview which information will be published.

The screenshot shows the REACH-IT home page with a navigation bar at the top containing 'Tasks (30)', 'Substances', 'Messages (70)', and a search bar. A 'Menu' dropdown is visible on the left. The main content area features three large circular widgets: 'Submissions and dossier tasks', 'Tasks', and 'Substances (19)'. The 'Tasks' widget is highlighted with a red box and a callout box. The callout box contains the following text:

Po kliknutí na odkaz *Prepare online in REACH-IT* (Připravit dokumentaci on-line v systému REACH-IT) můžete připravit on-line dokumentace IUCLID pro:

- oznámení klasifikace a označení nebo
- registrační dokumentace pro členy společného předložení.

Tato možnost je vhodná zejména pro ty, kteří pracují s nástrojem IUCLID poprvé.

The 'Tasks' widget also displays a summary: 6 New, 1 Close to deadline, 26 Passed deadline, and 0 My favourites. Below the widget are buttons for 'View all types', 'View all tasks', and 'View all substances'. The screenshot displays the REACH-IT system interface. On the left, a menu lists various actions such as 'Submit a dossier', 'Application for authorisation', and 'Registration'. The main area is titled 'Advanced search' and features a search bar with the text 'I am looking for: Joint submissions'. Below the search bar, there are input fields for 'Substance identity (EC, CAS, Name)', 'Joint submission name', and 'Reference number', each with a placeholder 'Please enter a minimum of three characters'. To the right, there are filter options for 'Company role', 'Registration type', and 'Favorite substances only'. A 'Search' button is located below the input fields. The results section shows 'Results 7 results found' and a table with columns for 'Joint submission name', 'Substance name', 'EC number', 'CAS number', and 'Company role'. The first row of the table is: H4R_Rosin_232-475-7, Rosin, 232-475-7, 8050-09-7, Member. Below the table, there is a 'View joint submission' button, which is highlighted with a red box. You are about to be redirected to the online dossier creation!

An online member registration dossier can only be created if:

- you have not previously submitted for this substance a registration dossier created using IUCLID
- you do not have another member registration dossier for the same substance currently in progress
- your substance is defined by only one composition
- you do not intend to opt-out, i.e. add in your dossier study records or study summaries not provided by the lead
- you do not intend to report more than one C&L that differs from the one provided by the lead
- you are not involved in a data-sharing dispute for this substance
- you do not intend to submit a 1-10 T registration dossier with physicochemical requirements only
- you do not intend to apply for a fee-waiver
- you are not involved in any legal entity change of type merge in REACH-IT

If you do not satisfy any of the above conditions, you cannot prepare your dossier online. We advise you to prepare and upload a IUCLID dossier in REACH-IT.

Do you want to continue to the online dossier creation?

What can you do in this step?

Use this screen to provide more information about the composition of your substance. The composition will refer to the composition manufactured or imported by the notifier.

Please provide as much information as possible.

As well as enabling a better identification of your substance, the information provided in this step can also help to justify a different C&L than the one which is already in the C&L inventory.

The presence of certain impurities or stabilisers, the state/form of your substance and the degree of purity or optical activity of the substance could have an impact on the C&L, and might explain some discrepancies in the C&L provided by different notifiers of the same substance.

How to fill in the information?

For mono-constituent substances:

- The main constituent is the one you specified in the *Main constituents* step of the wizard
- Use the relevant blocks to specify the impurities and the stabilisers necessary to chemically stabilise your substance
- For each impurity or stabiliser, indicate whether it has an impact on the classification of the substance by ticking the related box
- Report the concentration range (both minimum and maximum values, and the unit) for the main constituent, any impurity and stabiliser
- The degree of purity should be indicated as well. For mono-constituent substances, it corresponds to the concentration range of the main constituent.

 The concentration range values reported for the main constituent of a mono-constituent substance should normally not be less than 80% (w/w). In case you deviate from this rule, you should justify it in the field *Justification for deviation*.

Domovská stránka

The screenshot shows the REACH-IT home page. At the top, there is a navigation bar with the REACH-IT logo, a search bar, and several notification icons: 'Tasks (30)', 'Substances', 'Messages (70)', and 'Quick search by number'. A red box highlights the 'Menu' icon in the top left corner. A callout box points to this icon with the following text:

Zde klikněte pro zobrazení všech funkcí dostupných v systému REACH-IT.
Tato nabídka je velmi užitečná, pokud se chcete v rychlosti podívat na všechny možnosti v systému REACH-IT nebo pokud chcete rychle přejít na jinou stránku.

The main content area features three large circular cards:

- Submit a dossier:** Includes an icon of a folder with a plus sign. Below it, text says 'Prepare online in REACH-IT' and 'Upload a IUCLID dossier Webform applications'. A 'View all types' button is at the bottom.
- Tasks (30):** Includes an icon of a document with a downward arrow. Below it, a central circle shows '6 New'. To the left, a yellow circle shows '1 Close to deadline'. To the right, a red circle shows '26 Passed deadline'. A 'View all tasks' button is at the bottom.
- Substances (19):** Includes an icon of a flask. Below it, a central circle shows '0 My favourites'. To the left, a yellow circle shows '4 In progress submissions'. To the right, a red circle shows '0 Failed submissions'. A 'View all substances' button is at the bottom.

The footer contains links for 'Discover REACH-IT', 'FAQ', 'Contact ECHA Helpdesk', and 'ECHA-term'. The ECHA logo (European Chemicals Agency) is on the right. A small version number '[3.1.1.b462] - [2016-06-13_15-48-28]' is at the bottom center.

Určete velikost své společnosti

The screenshot shows the 'Manage company' interface. A callout box points to the 'Company size' menu item. The callout text is as follows:

Systém REACH-IT vám pomůže určit velikost vaší společnosti.

Po kliknutí na možnost *Company size* (Velikost společnosti) v nabídce můžete:

- zobrazit historii velikosti vaší společnosti,
- aktualizovat velikost vaší společnosti,
- zobrazit či aktualizovat kontaktní osobu a
- zobrazit nebo přiložit písemné doklady.

Možná se budete muset na stránce posunout, abyste našli oddíl s písemnými doklady.

The interface also features a table of 'Documentary evidence' with the following data:

SMEs are defined as enterprises which employ fewer than 250 persons and whose either annual turnover does not exceed 50 million euros or annual balance sheet total does not exceed 43 million euros. The headcount and financial data also needs to include data of partner and linked enterprises where these are applicable.

IF ECHA finds that the company size is incorrect, you may have to pay the administrative charge and also the balance of the correct registration fees.

SME threshold

SME Category	Headcount Annual Work Unit (AWU)	Annual turnover	Annual balance sheet total
Medium	< 250	≤ €50 million	≤ €43 million
Small	< 50	≤ €10 million	≤ €10 million
Small	< 10	≤ €2 million	≤ €2 million

System REACH-IT vám pomůže určit velikost vaší společnosti.
